Re: Sterling Gateway Industrial Project (PM 060030)

At the July 20th regular meeting of the Castaic Area Town Council, the Town Council received a presentation from Mr. Hunt Williams regarding the proposed Westside Bridge and Thoroughfare District and its potential impacts on his development project.

After reviewing the information, the Town Council voted in favor of sending a letter to the County requesting they consider the Sterling-Gateway project under its Special Case and/or Non-Typical Criteria provision. Please accept this letter as the Town Council's request and contact me directly with any questions at (661) 205-9245.

Respectfully,
