

Community Emergency Response Training Los Angeles County Fire Department

Firefighters will teach residents how to prepare and respond in the event of a major disaster. Learn from the experts how you can take care of your family and neighbors during an earthquake or other emergency.

CASTAIC LAKE CLASSES BEGIN FEBRUARY 15, 2011

Following a major disaster, police, fire and medical professionals may not be able to meet the demand for emergency medical attention. Residents and neighbors may need to rely upon one-another to help with immediate life saving needs, particularly in isolated neighborhoods that may be cut off from the main roads.

The County of Los Angeles Fire Department Community Emergency Response Training (CERT) was developed through FEMA to provide basic fire safety and life saving skills.
